

After working as a pedorthist in Regina for years, five years ago I incorporated a new kind of foot clinic where a patient's foot joy & health are our sole concern.

Diabetic Foot Assessment RQHR Trained	Mobile Clinic Availability (Care Home / Off-site)
↪ Insurance Eligible	Decades of experience as a certified rehabilitation professional
Canadian-sourced medical-grade material (Poron®, neoprene, thermoplastics, etc.)	↪ Direct Billing Treaty First Nations, RCMP, Veterans, Extended Health SS recipients
↪ WCB Claims Welcomed	"Ready in days, not in weeks" via manufacturing in our on-site lab
Online booking -- by appointment only -- with weekday, weekend & evening spots	↪ Free Assessments
Boutique Clinic Focus (Not Retail)	Industry leading 'Landis Canada' & 'King Industrial' equipment
As a person with physical disability, I have a solid understanding of mobility	<u>Focussed on Feet</u> , not Shoe Sales
Ready When You Are	Regina's only fully 3-D orthotics onsite manufacturing lab

Referral / Prescription Form is included on the back for copying → → and is also available online at www.ashfieldorthotics.com.

Please let us know if you have questions.
Our orthotics truly support your patients.
Thank you for your trust & referrals.
